3. I am employed by Keller Williams as a real estate agent. I have worked as a real estate agent in the NC/SC area since 2016. NetMOVE provides real estate services throughout the State of South Carolina.
4. I know the public needs qualified movers to transport household goods within South Carolina because I am often asked to recommend household goods movers by clients or acquaintances moving from one part of the state to another. There is always a need for qualified movers due to South Carolina's robust real estate market, especially if the movers are dependable and experienced. I would like to have another company, such as NetMOVE to recommend to people looking for moving services.
5. Based on my knowledge of the need for household goods movers in South Carolina, I believe the public interest would be served by granting a Certificate of Public Convenience and Necessity to NetMOVE
